Northern Kentucky University

Highland Heights, KY, 2024–Present

GPA: Weighted: 4.11 Unweighted: 3.81 ■ Major: Information Technology ■ Minor: Undecided

CLUBS/EXPERIENCE

Panera Bread

Retail Crew

January 2024 – April 2024

- I worked as a retail crew member for Panera bread, primarily making salads and sandwiches. Working with co-workers to produce the customer's order quickly helped teach me teamwork and time management skills.

VP Parking

Valet

May 2024 – Present

- As a valet for VP Parking, I am responsible for parking customer cars as well as returning them in a timely manner when the customer is ready to leave. I exercise excellent customer service skills, catering to the needs of the customer.

CLUBS/EXPERIENCE

Drama Club

Tech Crew Member

2022–2024

- I was a member of my school's Drama Club's tech crew, contributing to six shows in total. The tech crew sets up the lights and sound system for every show. I took a leadership role, training underclassmen to use the equipment.

Newport Central Catholic Broadcast

Editor, Cinematographer, and Segment Host

2022–2024

- The Broadcast is a news series published every Friday for the school to watch. Junior year, I was co-editor of the show and host of the current events segment. My senior year, I was the editor, cinematographer, and host of varying segments. These roles solidify my position as the leader of the broadcast team. Cinematography required me to set up the green screen, lighting, and camera every time we needed to film. Once everything was filmed, I took the footage home to edit and prepare for Friday. I prided myself on making the weekly deadline while putting my best effort into filming and editing. The Broadcast was very popular among the student body, and I took feedback and improved each week.

JV/Varsity Soccer

Team Member

2021–2024

- During my sophomore and junior years, I was a member of the JV team for my school's soccer team. As an attacking position and co-captain, I played a role of leadership for my other teammates. Senior year, I was on the varsity team. Being one of the oldest team members and on the highest team, it was important for me to set an example for my younger teammates to follow. Regardless of my technical skills, I pushed myself to be the best team player possible.

AWARDS/HONORS

- **Spanish Honors Society** 2022–2024
- **National Honors Society** 2022–2024

SERVICE

- **Newport Central Catholic Drama Camp** 2023
Over the summer going into my senior year, I participated in the NCC Drama Camp as a counselor. There were a total of two sessions with two age groups. With the help of the counselors, the kids put on the show *Cinderella*. I helped with the tech crew in the show and facilitated group activities every day.

ADDITIONAL SKILLS

Proficient in Adobe Photoshop, Davinci Resolve, Adobe Premiere, Python, HTML and CSS, Windows 10 & 11, and MacOS. Skilled in soldering and repairing technology.
